ARTICLE I MEMBERSHIP AND VOTING RIGHT IN THE ASSOCIATION

Section 1. General Purposes of Association.

The Association is organized for the purpose of providing common services to the Lot Owners; owning and maintaining landscaping and lighting on the Common Areas; maintaining the drainage easements, Conservation Easement Areas, Common Areas, surface water and/or stormwater management systems; providing enforcement of these covenants and restrictions; and engaging in activities for the mutual benefit of the Owners. In order to pay for these services, the Association will charge assessments against the Lots and their Owners. A Lot may be subject to lien for any unpaid assessments, but additionally each Owner is personally obligated for assessments coming due during the time such Owner owns the Lot. The functions of the Association shall be performed by a Board of Directors. Provisions relating to the Association and the Board of Directors are also contained in the Articles of Incorporation and By-Laws of the Association.

Section 2. Lot Owner Membership.

Every Owner of a platted Lot shall be a member of the Association upon acquiring title to the Lot. There shall be a one-time initiation fee of \$250.00 per Lot, payable to the Association at the time a Lot is conveyed to its initial Owner. Each subsequent Lot Owner may reimburse the previous owner the initiation fee that was paid at the time of the initial lot acquisition. A Lot acquired by a Builder from Declarant shall be subject to the initiation fee at that time of acquisition. The Association may spend some, or all of the initiation fee, for inspection of the Lot after completion of the improvements to certify compliance with the terms and provisions of this Declaration as provided in Article III, Section 5.

Membership shall be appurtenant to and may not be separated from ownership of any Lot. The initiation fee may be increased from year to year after December 31, 2003, in the same manner and amount as annual assessments may be increased pursuant to Article V, Section 5.

Section 3. Classification of Membership.

The Homeowners Association shall have two classes of voting membership:

Class A. Class A members shall be all Owners, with the exception of the Declarant, and shall be entitled to one vote for each Lot owner. When more than one person holds an interest in any Lot, all such persons shall be members. The vote for such Lot shall be exercised as they among themselves determine, but in no event

shall more than one vote be cast with respect to any Lot. Class A members shall also include all owners, with the exception of the Declarant, of lots in additional phases if additional phases are subjected to these restrictions as elsewhere provided in this Declaration.

Class B. The Class B member shall be the Declarant or successor developer and shall be entitled to three (3) votes for each Lot owned (to include each owned lot in additional phases if additional phases are subjected to these restrictions as elsewhere provided in this Declaration). The Class B membership shall cease and be converted to Class A membership on the happening of either of the following events, whichever occurs earlier:

(a) Three (3) months after 90% of the residential lots in all phases of the subdivision have been conveyed by the developer (or successor developer) to members (excluding conveyances to builders, contractors, or others who purchase a parcel for the purpose of constructing improvements thereon for resale), or

(b) Upon the election of the Declarant or successor Developer.

Section 4. Membership Vote.

Voting will be allowed by certified written mailed-in ballot on all issues that require a vote by the full Association. The maximum number of votes that may be cast is the sum of all votes held by qualified Class A members and the Class B member either present in person, or by written proxy at the time the vote is taken at a meeting, or by actual recorded ownership of platted lots if by certified written ballot. The number of votes needed for a quorum on any vote in person or by certified written ballot of the Association shall be a minimum of 30% of the sum of all the votes held by qualified Class A members and Class B members for any ballot to be valid. All matters to be voted on by the Association shall require a quorum and shall be decided by a majority of those votes cast by owners represented by the quorum. Voting shall also be permitted by general or limited proxy at any meeting of the Association.

Section 5. Voting Qualifications.

To be qualified to vote, a Class A member must be current in payment of all assessments and any liens which have been levied against that member or any Lot owned by that member as of the date of the vote. Any person designated in writing by the Declarant shall be qualified to cast the votes for each Lot owned by the Class B member.

The Committee may charge an administrative fee in the amount of \$35.00, payable to the Association, for the review and/or processing of plans, specifications, and inspection of the proposed improvements. Said fee shall be paid to the Association at the time submission of the application for addition, change or alteration is made.

If the Owner of any Lot (or his contractors, agents or invitees) that has been cleared without written authorization of the Committee fails to restore said Lot or Common Area damaged by the Owner (or his contractors, agents or invitees) within thirty (30) days of receipt of written notice from the Committee, then the Committee may make such restoration, the cost of which shall be a lien against the Lot and a debt of Owner which may be enforced in the same manner as enforcement of Assessments as set forth herein.
- (c) Easements for ingress, egress and access are hereby reserved in favor of the Developer and the Association over and across the platted utility and drainage easements encumbering all Lots adjacent to Common Areas for the purpose of access to said Common Areas for repair and maintenance. The Developer and Association may, without incurring any liability to the Lot Owner for trespass or damages, remove any impediments to these access rights, and may levy a special assessment as provided in Article V for the cost of such removal.

Section 16. Excavations.

No excavations for stone, gravel, dirt or earth shall be made on any portion of the Properties; except for the construction of dwellings, walls, foundations, swimming pools, structures and other appurtenances. Section 20. Preservation of Common Areas.

No person shall reconstruct, damage or destroy, clear, open, reduce, remove, alter, modify or install any thing or improvement within, over or upon any common area, easement or conservation easement area without first obtaining written approval from the Committee, City of Cocoa, and St. Johns River Water Management District. Section 21. Wells.

No water wells shall be dug on any Lot or on the Properties except for purposes of irrigation of landscaping.

Section 22. Open Burning.

Open burning to reduce solid waste on any Lot is not permitted.

Section 23. Swimming Pools.

A swimming pool may be constructed on a Lot within the appropriate setbacks and with the approval of the location and material by the Committee. Access to a pool from the boundaries of the Lot must be controlled from all directions by fencing and the residential structure. If pools are protected by screens, such screens and their structures shall be approved by the Committee. Swimming pools shall be only inground type and shall be constructed of fiberglass, concrete, or concrete materials. The pool deck shall be no higher than two (2") inches below the grade level of the first floor house pad.

Section 24. Right to Inspect.

The Homeowners Association's Board of Directors may, at any reasonable time or times during periods of construction or alteration and within thirty (30) days thereafter, enter upon and inspect any Lot and any improvements thereon for the purpose of ascertaining whether the maintenance of such Lot and the maintenance, construction or alteration of structures thereon are in compliance with the provisions hereof; and neither said Board nor any of its agents shall be deemed to have committed a trespass or other wrongful act by reason of such entry or inspection.

Section 25. Antennae, Aerials and Satellite Dishes.

The Federal Communications Commission has published rules which govern the right of homeowners to receive programming from direct broadcast satellites (DBS), multi-channel, multi-point distribution (wireless cable) service (MMDS) and television broadcast stations (TVBS). CFN:2002221677

OR Book/Page: 4675 / 3352

- (b) Restrictions that unreasonably delay or prevent, or unreasonably increase the cost of, the installation, maintenance or use of such antennae, or which preclude the reception of an acceptable quality signal.

The Association does have the right to regulate the above-described telecommunications equipment with respect to landscaping and safety. When possible, all exterior antennae or aerials shall be placed in the rear or side yard, in such a manner as to be as unobtrusive as possible. Any matter of safety will be handled on a case by case basis by the Association.

Any homeowner who wishes to install an antenna or a satellite dish should submit a sketch showing its location relative to the home to the Architectural Control Review Committee.

Section 26. Games and Play Apparatus.

All games and play apparatus remaining outdoors for more than three days shall be located at the rear or side of the dwelling, so as not to be visible from any street. Section 29. Sewage Disposal.

No individual sewage disposal systems shall be permitted on any Lot.

Section 30. Air Conditioning.

ARTICLE IV
PROPERTY RIGHTS AND REQUIREMENTS

Section 1. Owner's Easements of Enjoyment.

Every Owner shall have a non-exclusive right and easement of enjoyment in and to the Common Area which shall be appurtenant to and shall pass with the title to every Lot subject to the following provisions:

- (a) The right of the Association to dedicate or transfer all or any parts of the Common Area to any public agency, authority or utility for such purposes and subject to such conditions as may be agreed to by the Association, provided no such dedication or transfer shall be effective unless: (i) such dedication or transfer is approved by Declarant, so long as Declarant owns a Lot, or if Declarant no longer owns a Lot, then by a vote of 30% of the Class A Members; and (ii) the approval of such dedication or transfer has been properly recorded; and
- (b) That the Conservation Easement Areas be left in their natural condition as set forth in Section 6 hereinbelow.

Section 2. Owner's Use of Lot.

An Owner's use of his or her Lot shall be limited to residential purposes, but nothing herein shall be deemed to prevent a Owner from leasing his or her residence to a single family for the purpose of a residence, subject to these covenants and restrictions. All Owners leasing or renting their Lots or Homes shall be required to incorporate the following provision in their lease or rental agreements, substantially in the following form:

The Lease Premises are a part of a Subdivision. All persons occupying property in Eagle Lake East are required to observe the Covenants and Restrictions of the Eagle Lake East Subdivision. Copies of all Covenants and Restrictions are to be obtained from the Landlord.

In addition, all Owners leasing their Lots or homes are required to provide the Association with a copy of the lease or the names and addresses of the Landlord and the Tenant that are contained in the lease or rental agreement.

Section 3. Notice of Conveyance.

At any time an Owner conveys his/her Lot, he/she and the transferee shall be jointly obligated to notify the Association of the transferee's name, mailing address and date of transfer. A notice will be provided by the Association upon the transfer of any Lot providing the current written status of the Association dues.

Section 4. Others' Use.

Any Owner may share his/her right or enjoyment to the Common Area and facilities with the members of his family, his tenants, or visiting guests so long as same observe and abide by these covenants and restrictions.

Section 5. Damage by Lot Owners including Builders.

The Owner of a Lot, including Builders, shall be responsible for any expense incurred by the Association or the Developer to repair or replace Common Area vegetation, curbs, sidewalks, streets, right-of-ways, improvements, swales, drainage facilities and utility lines or other Common Area or public or private improvements, when such repair or replacement is necessary as a result of the negligent or intentional errors or omissions of the builder, sub-contractors, Owner, his family, tenants, guests, agents or invitees. This shall specifically include repairs or replacements resulting from the actions of the Owner's contractor in constructing any improvements on the Owner's

CFN:2002221677

OR Book/Page: 4675 / 3354

Lot. Any such expense if not paid upon demand shall be added to the Assessment to which the Owner's Lot is subject and shall be due and payable in the same manner as the Assessments provided in these covenants. Provided however this shall not apply if there are insurance proceeds available to pay for damage.

Section 6. Motor Boat Use Restriction.

No man-powered, wind propelled or electric operated boats may be used on any lakes or retention areas situated in the Subdivision. No such vessels nor any other vessels may be used in wetland areas within the Conservation Easement Areas.

Section 7. Maintenance of Operation of Surface Water or Stormwater Management System.

The Association shall be responsible for the maintenance, operation and repair of the surface water or stormwater management system. Maintenance of the surface water or stormwater management system(s) shall mean the exercise of practices which allow the systems to provide drainage, water storage, conveyance or other surface water or stormwater management capabilities as permitted by the St. Johns River Water Management District. Any repair or reconstruction of the surface water or stormwater management system shall be as permitted or, if modified, as approved by the St. Johns River Water Management District.

The Builder has constructed a drainage swale upon each Lot for the purpose of managing and containing the flow of excess surface water, if any, found upon such lot from time to time. Each Lot Owner, including Builders, shall be responsible for the maintenance, operation and repair of the swales on the Lot. Maintenance, operation and repair shall mean the exercise of practices, such as mowing and erosion repair, which allow the swales to provide drainage, water storage, conveyance or other stormwater management capabilities as permitted by the St. Johns River Water Management District. Filling, excavation, construction of fences or otherwise obstructing the surface water flow in the swales is prohibited. No alteration of the drainage swale shall be authorized and any damage to any Drainage Swale, whether caused by natural or human-induced phenomena, shall be repaired and the drainage swale returned to its former condition as soon as possible by the Owner(s) of the Lot(s) upon which the drainage swale is located.

The St. Johns River Water Management District shall have the right to enforce, by a proceeding at law or in equity, the provisions contained in the Covenants and Restrictions which relate to the maintenance, operation and repair of the surface water or stormwater management system.

Section 8. Maintenance of Drainage Easements.

It shall be the duty of the Association to maintain the drainage easements if said duty is not assumed by any governmental agency pursuant to any dedication agreement. Said duty shall include the obligation to cut grass, cut any trees, bushes or shrubbery, make any grading of the soil, or take any other similar actions reasonably necessary to maintain reasonable standards of health, safety and appearance. Drainage flow shall not be obstructed or diverted from drainage easements. Developer may but shall not be required to add drainage for surface water wherever and whenever necessary to maintain reasonable standards of health, safety and appearance; provided, however, any maintenance, clearing, grading or cutting of drainways must be as permitted, or as approved by St. Johns River Water Management District and City of Cocoa, pursuant to a permit modification.

ARTICLE V
COVENANT FOR ASSESSMENTS

Section 1. Assessments.

- (a) All Lots shall be subject to annual and special assessments as herein provided in order to fund the costs of fulfilling the purposes of the Association. In the event of a conveyance, the grantee is jointly and severally liable with the grantor for all assessments outstanding against the grantor and

subject Lot, without prejudice to any right the grantee may have to recover from the grantor any amounts paid by the grantee. Each Lot Owner is deemed to covenant and agree by acceptance of a deed to a Lot to pay all assessments and no Lot Owner may waive or avoid responsibility for payment of any assessment by not using his Lot or the Common Areas or by disputing the purpose of the assessment or for any other reason; provided however, that no Lot while owned by the Developer shall be subject to either annual or special assessments. The Developer hereby obligates itself to pay any operating expenses that exceed assessments received from the members and other income sources of the Association. This obligation shall terminate when the Developer no longer controls the Association.

- (b) Both annual and special assessments must be fixed at a uniform rate per Lot subject to assessments and may be collected monthly, quarterly or annually as determined by the Board of Directors. As to any individual Lot or Lot Owner who has not paid an assessment when due or is in violation of these Covenants and Restrictions, however, the amount of the assessment outstanding shall be increased by interest, late charges, costs, fines, damages and attorneys fees, as referenced throughout this Declaration.

Section 2. Annual Assessments.

The Association shall fix the amount and the due date of the annual assessment. Initially, annual assessments shall be payable in one annual installment, payable when the Owner takes title and prorated from that date to the end of the fiscal year. The title company shall forward the proceeds of the prorated annual assessment to the Homeowners Association. The Association shall notify the Owners of each Lot of the amount, the date on which the assessments are payable, and the place of payment.

Assessments shall also be used for the maintenance and repair of the surface water or stormwater management systems including but not limited to work within retention areas, drainage structures and drainage easements.

Section 3. Date of Commencement of Annual Assessments.

The annual assessments for each Lot shall be payable upon conveyance of that Lot to a Class A Member, and at the beginning of each fiscal year of the Association thereafter. Builders may become liable for annual or special assessments prior to receiving conveyance of a Lot, as may be provided by contract between Developer and the Builders.

Section 4. Special Assessments.

The Association may levy a special assessment to pay in whole or in part for the cost of any shortfall in the annual budgeted operating revenues, or for any repair or replacement of an existing capital improvement, or for the construction/acquisition of a new capital improvement, without concurrence of the Owners unless the cost of such repair/replacement/acquisition/construction is major. "Major" as referenced herein shall be defined to mean that the amount of the proposed special assessment per Owner, plus any other special assessments levied during that same fiscal year, exceeds 50% of the then current year's annual assessment. Major capital improvements shall require the special assessment to be approved by a majority of a minimum of 30% of the membership. The Association may also levy special assessments without limitation or the concurrence of any Owner to pay for the cost of maintenance or enforcement of these covenants and restrictions with regard to specific lots; any such assessment shall be levied against the Owner of such lot. Special assessments shall be payable at such time and place determined by the Association and stated in the assessment notice.

Section 5. Maximum Annual Assessment.

Until January 1, 2004, the annual assessment shall be \$250.00 per Lot.

CFN:2002221677

OR Book/Page: 4675 / 3356

- (a) From and after January 1, 2004, the annual assessment shall be set by the Association and may be increased each year by up to ten (10%) percent above the maximum allowable assessment for the previous year without a vote of membership. "Maximum allowable assessments" as referred to herein shall be calculated by assuming a cumulative 10% increase per year from and after the year 2004.
- (b) From and after January 1, 2004, the maximum annual assessment may be increased by more than said ten (10%) percent only by a majority vote of those needed for a quorum of 30% of each class of members who are voting. The vote should be by certified written ballot mailed to each owner 30 days after their receipt of written notification that a vote will be taken on the proposed increase in assessment.

ARTICLE VI ENFORCEMENT PROVISIONS

Section 1. Creation of Lien for Assessments.

- (a) Assessments, including any increases in same due to interest, late charges, costs, fines, damages and attorney fees, shall be a charge upon each Lot and a continuing lien thereon until paid. The lien will become effective from and after recording a Claim of Lien in the Public Records of Brevard County, Florida, stating the Lot description, the name of the record Owner, the amount due, and the due date. The lien will remain in effect until all sums due to the Association have been fully paid and the Association is hereby authorized to take any and all actions provided in law or equity to collect such sums. Any payment received by the Association from that payor shall first be applied to any interest accrued, any outstanding penalties and costs, reasonable attorney's fees incurred in collection, and then to the outstanding assessment. The foregoing shall be applicable notwithstanding any restrictive endorsement, designation or instruction placed on or accompanying a payment.
- (b) All Lots shall be sold subject to the terms and provisions of the continuing lien described in this paragraph. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specific Lot have been paid. A properly executed Certificate of the Association as to the status of assessments on a Lot is binding upon the Association as of the date of its issuance.

Section 2. Effect of Non-Payment of Assessment: Remedies of the Association.

Any assessment not paid within thirty (30) days after the due date shall accrue an administrative late charge of \$25.00 or five percent (5%) of the amount due, whichever is greater, plus interest beginning 30 days from the due date at the rate of twelve percent (12%) per annum until paid. The Association may bring an action against the Owner of the Lot personally for payment of the assessment and may enforce its lien for the assessment by foreclosure or any other means available under the law. The Association may waive payment of late charges and interest on any assessment, but may not waive payment of the assessment. In an action to enforce collection of any assessments, the prevailing party shall be entitled to recover reasonable attorney's fees and costs, including attorney's fees and costs on appeal.

Section 3. Violation and Enforcement of Restriction and Covenants.

- (a) The Association and each lot owner shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. Failure to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter. In any

action for enforcement brought hereunder, the prevailing party shall be entitled to reasonable attorneys fees including attorneys fees through appellate proceedings.

- (b) Upon learning of a violation, the Association shall issue the Owner a written notice either by certified return receipt mail or posting on the property requesting the Owner to cure the violation and advising the Owner that a fine will begin to accrue if the violation is not cured within thirty (30) days of receipt of the notice and that the Owner's Lot may be subject to a lien for such fine together with any costs expended by the Association for notice, investigation, attorney's fees and costs, and curative actions, the Association may take, including but not limited to demolition and/or storage costs for any construction or items placed on a Lot in violation of this Declaration.
- (c) Should the violation not be cured within said 30 days receipt of said written violation, a fine shall automatically begin to accrue and continue until the violation is cured. The amount of the fine at the time of filing this Declaration is \$50.00 per day, but said amount may be increased from time to time by the Board of Directors without vote of the Association or amendment of this Declaration.
- (d) The Association shall have the authority but is not obligated to cure any violation through whatever action it deems reasonable and the expenses thereof shall be chargeable to the Owner of the Lot or Lots on which or in connection with the violation has occurred. Said expense shall be payable forthwith and upon demand. In the event the Association has expended funds in connection with curing such violation, then and in such event the funds so expended shall become an assessment upon the Lot or Lots enforceable as provided herein for unpaid assessments.

Section 4. Subordination of the Lien to Mortgages.

The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect any assessment lien. However, the sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

ARTICLE VII RIGHTS RESERVED BY DEVELOPER

Section 1. Eminent Domain.

If all or part of any Common Area, private right-of-way, or private easement for access, is taken by eminent domain, Developer shall be entitled to the proceeds therefor and no claim shall be made by the Association or any Owner other than Developer for any portion of any award.

Section 2. Easements for Utilities.

The Developer reserves a perpetual easement on, over and under all easements within the Subdivision and Common Areas shown on the subdivision plat for construction and maintenance of electric and telephone poles, wires, cables, conduits, water mains, drainage lines or drainage ditches, sewers, irrigation lines, roadways, natural gas, cable television, and other conveniences or utilities. To the extent permitted by law, the Developer may grant an exclusive easement over each Lot for the installation and maintenance of radio and television cables within the Subdivision. The Owners of Lots subject to the easements reserved in this paragraph shall acquire no right or interest in utility or cable television equipment placed on, over or under the portions of the Subdivision which are subject to said easements.

CFN:2002221677

OR Book/Page: 4675 / 3358

All easements reserved by Developer are and shall remain private easements and the sole and exclusive property of the Developer, to be held or else conveyed in Developer's discretion to utility companies, the Association, or appropriate government agency.

Section 3. Drainage.

The Association shall have a perpetual non-exclusive easement over all areas of the surface water or stormwater management system for access to operate, maintain or repair the system. By this easement, the Association shall have the right to enter upon any portion of any lot which is a part of the surface water or stormwater management system, at a reasonable time and in a reasonable manner, to operate, maintain or repair the surface water or stormwater management system as required by the St. Johns River Water Management District permit. Additionally, the Association shall have a perpetual non-exclusive easement for drainage over the entire surface water or stormwater management system. No person shall alter the drainage flow of the surface water or stormwater management system. No person shall alter the drainage flow of the surface water or stormwater management system, including buffer areas or swales, without the prior written approval of the St. Johns River Water Management District.

Section 4. Maintenance Easement.

The Developer and the Association reserves an easement within all designated drainage and utility easements in, on, over, and upon each Lot for the sole purpose of preserving, maintaining or improving the Common Areas.

Section 5. Developer Rights Regarding Temporary Structures, Etcetera.

Developer reserves the right to erect and maintain temporary dwelling, model houses, and/or other structures upon Lots owned by Developer or Developer's assignee and to erect and maintain such commercial and display signs and devices as Developer, in its sole discretion, deems advisable. Developer reserves the right to do all acts necessary in connection with the construction of such improvements on the Lots. Nothing contained in these covenants and restrictions shall be construed to restrict the foregoing rights of the Developer.

Section 6. Further Restrictions, Conditions and Dedications.

Developer reserves the right to impose further restrictions and to grant or dedicate additional easements and rights-of-way on any Lot in the Subdivision owned by Developer and on the Common Areas, so long as the easements granted by Developer shall not materially or adversely affect any improvements or unreasonably interfere with use of the Common Areas.

ARTICLE VIII
GENERAL PROVISIONS

Section 1. Severability and Interpretation.

Invalidation of any of these covenants or restrictions by judgment or court order shall in no way effect any other provisions hereof, which shall remain in full force and effect. Should any conflict in interpretation arise between the provisions of this Declaration and of the Articles of Incorporation, the provisions of this Declaration shall prevail.

Section 2. Duration, Modification and Amendment.

Except as the same may be changed, modified or amended as provided for hereafter, the covenants and restrictions of this Declaration shall run with and bind the land for a term of twenty (20) years from the date of this Declaration is recorded, at which time they shall be automatically extended for two (2) successive periods of ten (10)

years, unless modified or terminated by a duly recorded written instrument executed in conformance with the requirements described below.

So long as Declarant owns one or more Lots within the Subdivision, the Declarant may, in its sole discretion and without any notice to or vote by other Lot Owners, change, modify or amend any provision of this Declaration in whole or in part by executing a written instrument making such changes and having the same duly recorded in the Public Records of Brevard County, Florida.

At any time after the Declarant no longer owns any Lot or Lots within the Subdivision, the covenants, agreements, conditions, reservations, restrictions, and charges created and established herein may be waived, abandoned, terminated, modified, altered, or changed upon notice to all members of the Association and with the approval of two-thirds (2/3) of the total membership vote. Such action may be taken at any annual or special meeting of the Association or by certified written ballot, so long as written notice of such proposed action or amendment is given 30 days prior to the meeting or scheduled vote. Any such proposed action must be initiated in the same manner as amendments to the By-Laws of the Association. No such waiver, abandonment, termination, modification or alteration shall become effective until a properly executed instrument in writing shall be recorded in the Public Records of Brevard County, Florida.

Any amendment to the covenants and Restrictions which alter any provision relating to the surface water or stormwater management system, beyond maintenance in its original condition, including the water management portions of the Common Areas, must have the prior approval of the St. Johns River Water Management District.

Section 3. Federal Housing Administration (FHA) or Veterans Administration (VA) Approvals.

So long as there is a Class B membership the following actions shall require the prior approval of the FHA or VA agencies: annexation of additional properties outside the boundaries of the Subdivision, dedication of Common Areas to other than the Association, encumbrance of a Common Area, or amendment of this Declaration of the Articles of Incorporation of the Association, provided such approval is not unreasonably withheld by the FHA or VA.

Section 4. Mortgage or Conveyance of Common Areas.

In addition to any approvals required of the St. Johns River Water Management District, the FHA or VA, any mortgage or conveyance of a Common Area or any portion thereof shall require the approval of at least two-thirds (2/3) of the total membership vote.

Section 5. Future Development Within the Project.

The Declarant reserves to itself the sole and absolute right to determine the timing, method of ownership, and manner of development, including the modification of existing Phases and any and all phases of the Subdivision and the addition of other property to the Subdivision. In no event shall any provision of this Declaration be construed as imposing upon the Declarant any obligation whatsoever to submit to the jurisdiction of the Association or vote of the members or provisions of this Declaration any additional property, improvements or lots including all those herein described. No consent of the Lot Owners shall be required to add any lands, construct improvements or portions of additional property to the jurisdiction or ownership of the Association or to subject the same to provisions of this Declaration.

Section 6. Expandable Association.

- (a) Upon the recordation of this Declaration of Covenants and Restrictions for Eagle Lake East Subdivision, the Association shall have as members all Owners of Lots in that portion of the Subdivision to which this Declaration has been made applicable, and said portion shall be subject to the jurisdiction of the said Association, the provisions of this Declaration of Covenants and

- (b) If the Declarant elects to submit additional phases of the Subdivision to this Declaration and to the jurisdiction of the Association, the owners of lots included therein shall also be Members of the Association, and shall enjoy the use of and contribute toward the costs of maintenance, repair and operation of the Common Areas on an equal basis with all other Owners.
- (c) Any additions of portions of the Subdivision which Declarant elects to submit to this Declaration shall be made by filing of record a supplementary declaration of covenants and restrictions with respect to the additional property, which if applicable shall extend these covenants and restrictions to such property, and provided if applicable that the FHA and VA have determined that the annexation is in accord with the general plan heretofore approved by them.
- (d) Such supplementary declaration may contain such complementary additions, deletions, changes to this Declaration as may be required to reflect the different character, if any, of the added properties.
